INVESTIGATION

The undersigned received this case for investigation on 25-NOV-16. The case file contained the Face Sheet and the Initiation Report which had been completed by Sergeant Walter SHEPLER of the 005th District. Sergeant SHEPLER related that the complainant, [REDACTED] alleged that four "detectives" knocked on her door, and when she opened it one of the four pushed the door open wider and three of the four entered her residence while one stayed at the doorway. According to Sergeant SHEPLER, the complainant related that the accused who stayed in the doorway had a vest on with the name of FORBERG, and a star number that she believed was 1375. Sergeant SHEPLER further related that the complainant maintained that the other three accused searched around her house for [REDACTED] Attachments 1,4).

On 06-DEC-16 the undersigned interviewed the complainant, [REDACTED] in the Bureau of Internal Affairs (BIA). The complainant related that on 19-NOV-16, between 02:30 and 03:00 hours, four officers knocked on her door. The complainant related that she opened the door half way and one of the officers, a male white about 6 feet tall, forced his way in and all of the other officers ultimately entered the residence, two immediately and the third somewhat later. The complainant described the two officers who immediately followed the first officer as a shorter male white and a male black. The complainant related that the last officer to enter the residence wore a vest with the name FORBERG, which she wrote down, and a star with the number 1335 or 1375 (Attachment 8).

According to the complainant, the first three officers who entered her residence searched every room of the house including the basement. The complainant maintained that when she asked for a search warrant they just kept searching. The complainant explained that she exclaimed that her rights were being violated, and she asked for everyone's name and badge number. According to the complainant, the male black officer did provide her a piece of paper with the name "LANORUM" written on it along with the number [REDACTED]. The complainant related that the black officer, and the officer with the name FORBERG on his vest, explained to her that [REDACTED] was not safe and they were trying to protect her, and they left the residence. The complainant further related that before he left, the officer with the name FOREBERG on his vest stated to her that she

had written his name down from his vest and he stated his star number which was either 1375 or 1335 (Attachment 8).

The complainant signed a Sworn Affidavit for Log Number Investigation form in which she alleged that her residence was searched without justification, and three of the accused officers refused to provide to her their names and badge numbers. The complainant further alleged that the fourth accused refused to provide his name, and only when he observed that she had taken down his name did he provide his badge number (Attachment 3).

The complainant identified the following adult persons who were inside of the residence during the incident in question: [REDACTED], and [REDACTED].

The complainant provided contact information for [REDACTED] and for [REDACTED] but she added that [REDACTED] did not want to be involved (Attachment 8).

Attempts to contact [REDACTED] were unsuccessful. The undersigned did make telephonic contact with [REDACTED] who provided name and address information for [REDACTED] however, attempts to contact her [REDACTED] were unsuccessful. [REDACTED] agreed to meet with the undersigned in the BIA for an interview on 07-DEC-17 at 13:00 hours, however, she failed to show. The undersigned telephonically contacted [REDACTED] and inquired as to why she missed the interview, and she related that she did not want to proceed with the complaint, and she did not believe that [REDACTED] wanted to proceed with the complaint. [REDACTED] added that it was too much for her family (Attachments 33, 35, 37).

In an effort to identify the accused, the undersigned conducted a relevant GPS search which revealed that vehicle #2224, used by Officer Walenty BYK, was at the scene during the time of occurrence as identified by the complainant. An Alpha/Star Query revealed that Officer BYK was detailed to Unit 606 – Fugitive Apprehension. Further investigation revealed that Officer BYK, Sergeant Brian FORBERG, Officer Jason LANDRUM, Sergeant (formerly Police Officer) Jeffrey RUMBAUGH, Officer Sean MCDERMOTT, Sergeant Michael NALLEN, and Officer Steven SANDERS, all of whom were either assigned or detailed to Unit 606 on the date of the incident in question, had all worked overtime on 18-NOV-16 to 19-NOV-16 specifically for the Homicide Investigation that involved [REDACTED] (Attachments 10, 39, 42).

On 03-JAN-18, at 10:00 hours, the undersigned conducted an audio recorded interview with Witness Police Officer Walenty BYK, Star #2819, who acknowledged that he was at the location of [REDACTED] on 19-NOV-16 at approximately 02:45 hours in an effort to locate [REDACTED]. Officer BYK recalled that Police Officer Steven SANDERS was in a separate vehicle, but he and SANDERS were working in tandem, and they were positioned on the perimeter of the residence for the possible event that [REDACTED] would flee from the residence. Officer BYK recalled that Sergeant

Michael NALLEN was also on the perimeter. Officer BYK did not recall the identity of other members on the scene, or whether any other Department members entered or searched the residence. Officer BYK had no knowledge as to whether the names or badge numbers of any member had been requested by any civilian on the scene, or whether any Department member had refused to provide their names or badge number to anyone on the scene (Attachments 14, 15).

During her interview with the undersigned, the complainant had provided the following description information about the accused: A male white using the name FORBERG, a male black using the name LANORUM, a male white approximately 5'07", and a male white approximately 6'00". Further investigation by the undersigned revealed that Officer MCDERMOTT and Sergeant (formerly Police Officer) RUMBAUGH are 5'08" and 6'00" in height, respectively. Additionally, Officer LANDRUM, Officer MCDERMOTT and Sergeant (formerly Police Officer) RUMBAUGH had all been assigned to Sergeant FORBERG'S Beat 5756 team in Unit 606 (Fugitive Apprehension) on the date of the incident. The undersigned identified Sergeant FORBERG, Officer LANDRUM, Officer MCDERMOTT, and Sergeant (formerly Police Officer) RUMBAUGH as the accused (Attachment 8).

On 10-JAN-18, at 15:55 hours, the undersigned conducted an audio recorded interview with Accused Police Officer Jason LANDRUM, Star #17355, who acknowledged that he was at the location of [REDACTED] on 19-NOV-16 at approximately 02:45 hours in an effort to locate [REDACTED]. Officer LANDRUM recalled that Sergeant Brian FORBERG was on the scene as well as other officers, but he could not recall the identities of the other officers. Officer LANDRUM related that he either rang the doorbell or knocked on the door, and he (LANDRUM) identified himself when an older male subject answered the door. According to Officer LANDRUM, the older male subject invited him into the residence. Officer LANDRUM recalled that Sergeant FORBERG was with him when he entered the residence, but he could not recall if any other Department members entered the residence. Officer LANDRUM related that [REDACTED] addressed them after they entered, and he (LANDRUM) explained to her that they were looking for [REDACTED]. Officer LANDRUM related that he and [REDACTED] discussed the possible whereabouts of [REDACTED] after [REDACTED] maintained that [REDACTED] was not at the residence at that time. Officer LANDRUM related that he then provided [REDACTED] with his business card and they left the residence. Officer LANDRUM did not recall if any Department member searched or requested to search the residence. Officer LANDRUM had no knowledge as to whether the names or badge numbers of any member had been requested by any civilian at the scene, or whether any Department member had refused to provide their names or badge number to anyone at the scene (Attachments 18, 19).

On 29-JAN-18, at 15:30 hours, the undersigned conducted an audio recorded interview with Accused Sergeant (formerly Police Officer) Jeffrey RUMBAUGH, Star #1083, who acknowledged that he was at a residence in the area of [REDACTED] Avenue on 19-NOV-16 in an effort to locate [REDACTED] but he could not be sure of the exact

address. Sergeant RUMBAUGH related that a female black, whom he presumed was the [REDACTED] was present at the residence. Sergeant RUMBAUGH related that, per his recollection, Sergeant Brian FORBERG, Officer Jason LANDRUM, and Officer Sean MCDERMOTT, entered the residence with him while Sergeant Michael NALLEN and Officer Steven SANDERS were positioned on the perimeter. Sergeant RUMBAUGH related that there was no other residence that he entered with Sergeant FORBERG, Officer LANDRUM, and Officer MCDERMOTT on 19-NOV-16 and spoke with a female black subject he presumed was the [REDACTED]. According to Sergeant RUMBAUGH, they were invited into the residence by the female black subject whom he presumed was the [REDACTED]. Sergeant RUMBAUGH did not recall that any Department member searched the residence, but he explained that with the circumstances being such that they were attempting to locate [REDACTED] for her possible involvement in a murder, it would not have been uncommon for them to conduct a protective sweep of the area of the residence they were in for officer safety purposes. Sergeant RUMBAUGH maintained that the [REDACTED] made no immediately objection to their presence, and when she did ask them to leave, they all complied expeditiously. Sergeant RUMBAUGH did not recall that any civilian inside of the residence had asked for names or badge numbers of any of the Department members who were on the scene, but he did recall that Sgt. FORBERG did provide his name to the female subject he presumed was [REDACTED] (Attachments 22, 23).

On 01-FEB-18, at 13:10 hours, the undersigned conducted an audio recorded interview with Accused Police Officer Sean MCDERMOTT, Star #6435, who acknowledged that he was at a residence on the south side on 19-NOV-16 in an effort to locate [REDACTED] but he could not be sure of the exact address. Officer MCDERMOTT related that [REDACTED] was present at the residence. Officer MCDERMOTT related that, per his recollection, he entered the residence with Sergeant Brian FORBERG, Officer Jason LANDRUM, and Sergeant (formerly Police Officer) RUMBAUGH. According to Officer MCDERMOTT, they all entered after Sergeant FORBERG and Officer LANDRUM had spoken with [REDACTED] and Sergeant FORBERG gave them the okay to go into the residence. Officer MCDERMOTT related that he took a guard officer position and conducted a visual scan of the room they entered when they came into the residence. Officer MCDERMOTT maintained that none of them searched the residence. Officer MCDERMOTT explained that Sergeant FORBERG and Officer LANDRUM continued to speak with [REDACTED] while they were inside of the residence, and at some point Sergeant FORBERG told them to leave and they left. Officer MCDERMOTT did not recall that any civilian inside of the residence had complained about their presence. Officer MCDERMOTT related that other Department members were present at the scene, but he could only recall the identity of Sergeant Michael NALLEN who he assumed had taken a perimeter position because he did not recall him being inside of the residence. Officer MCDERMOTT did not recall that any civilian inside of the residence had asked for names or badge numbers of any of the Department members who were on the scene, but he did recall that Officer LANDRUM did provide his business card to [REDACTED] (Attachments 26, 27).

On 23-JAN-18, at 10:20 hours, the undersigned conducted an audio recorded interview with Accused Sergeant Brian FORBERG, Star #1564, who related that he did not recall the specific address, but he did respond to a far south side 005th District location on 19-NOV-16. Sergeant FORBERG related that their response to that residence was for a knock-and-talk investigation associated with a homicide investigation in which [REDACTED] was allegedly involved. According to Sergeant FORBERG, he responded to the residence with Officers Jason LANDRUM, Sergeant (formerly Police Officer) Jeffrey RUMBAUGH, and Sean MCDERMOTT. Sergeant FORBERG also recalled that Sergeant Michael NALLEN and Officer Steven SANDERS were also on the scene, but he believed that Sergeant NALLEN and other officers were in the alley in a support role (Attachments 30, 31).

Sergeant FORBERG recalled that only LANDRUM, RUMBAUGH, and MCDERMOTT went inside of the residence, and LANDRUM spoke with an older female black who appeared to be the "matriarch" of the residence. According to Sergeant FORBERG, Officer LANDRUM continued speaking with the "matriarch" while he moved around the house and spoke with another resident. Sergeant FORBERG related that he had no reason to doubt that the "matriarch" was [REDACTED] but he did not recall her name. Sergeant FORBERG maintained that the "matriarch" invited them inside of the residence. Sergeant FORBERG did not recall that he asked to search the residence or that any Department member did search the residence. Sergeant FORBERG recalled no member of his team engaged in an unjustified search of the residence in question, and he asserted that he would have stopped any officer if he had observed them engaged in any misconduct associated with an unjustified search. Sergeant FORBERG maintained that if any officers went into other rooms of the house it would have only been for officer safety. Sergeant FORBERG related that at some point the "matriarch" asked them to leave, and the officers did leave the residence. Sergeant FORBERG related that he explained the gravity of the situation to the "matriarch." Sergeant FORBERG related that the "matriarch" demanded his name and possibly his star number, and he did reveal his name and star number on his vest to her before he left. Sergeant FORBERG related that he had no recollection that any other Department member had been asked for their names or star numbers (Attachments 30, 31).

With respect to the complainant's allegation that her residence was searched without justification, there is insufficient evidence either to prove or disprove the allegation.

With respect to the complainant's allegation that three of the four accused officers refused to provide to her their names and badge numbers, the evidence shows that those officers are Jason LANDRUM, Sean MCDERMOTT, and Sergeant (formerly Police Officer) Jeffrey RUMBAUGH. The evidence further shows that none of those three officers recalled that any civilian inside of the residence had asked for names or badge numbers of any Department members who were on the scene. However, Officer LANDRUM maintained, and Officer MCDERMOTT confirmed, that he did provide one of his business cards to the complainant. Moreover, the complainant herself related that

she did receive a paper with the name "LANORUM" written on it, along with the telephone number 312 [REDACTED] which the undersigned confirmed to be a number that belonged to Officer LANDRUM. Based upon the evidence, the allegation is most appropriately classified as UNFOUNDED.

With respect to the complainant's allegation regarding the officers' refusal to provide their names and badge numbers, the complainant related that the fourth accused officer refused to give his name, and only when he observed that she had taken down his name did he then provide his badge number. The evidence shows that the officer referred to in this manner by the complainant is Sergeant FORBERG. There is no evidence that Sergeant FORBERG attempted to conceal his name from the complainant. The evidence shows that Sergeant FORBERG'S name was made available to the complainant. The evidence further shows that Sergeant FORBERG did provide his star number to the complainant. Based upon the evidence, the allegation is most appropriately classified as UNFOUNDED.

It should be noted that the Sergeant Brian FORBERG (Employee Number [REDACTED]) initiated a star exchange on 27-DEC-17 and was issued star number 1564 which replaced his previous star number of 1373 which he possessed at the time of the incident in question (Attachment 41).
